To our Visitors:

Welcome to this Christian Church. Whatever your faith, wherever your home, we bid you prayerfully and reverently to enter this hallowed Sanctuary. May its dignity and beauty bring you peace and an abiding sense of our oneness in the Crucified and Risen Lord Jesus Christ.

Give thanks for those who in past ages built and for those who are now building and sustaining the churches of Christendom. Praise God for His gifts of beautiful architecture and inspiring music.

The Cambridge Apostolic Church was the Cambridge City Presbyterian Church as shown in this church bulletin from 1963
