

I would like to say that I took this picture with my Brownie Holiday camera; however, this came from http://upload.wikimedia.org/wikipedia/commons/a/a3/United_States_Capitol_west_front_edit2.jpg. I believe our big picture was taken on the other (east side) of the capitol building.

Fred Callahan is wondering what Jim Brattain is working on . . . so am I. Jeff Mann has been interrupted from reading something.

Sylvan Schwegman, Fred Callahan, Harvey Brandon, and Jeff Mann are just relaxing. Don't look at the Italian street gestures that Fred and Jeff are flashing.

Fred Callahan looking cool.

OK, let's get lined up over here for our picture on the Capital steps.
